

New Freedom Project November Newsletter

Good morning,

We need your help creating generational change and strengthening communities by providing critical resources to individuals post incarceration. Here's a snapshot of the impact you can make by supporting New Freedom Project:

YOUR SUPPORT IN ACTION - HEAR FROM ANTHONY

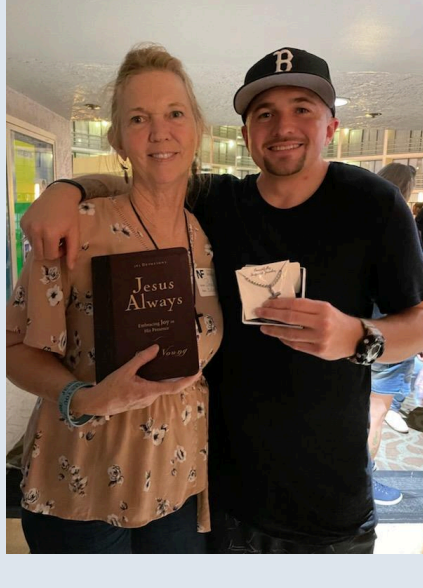

Meet Anthony- An incredible gentleman who wouldn't have been able to attend New Freedom's 90-day recovery program without our sponsorship program and the support of our generous donors!

WHY I GIVE: A DONOR'S STORY

We spoke with Pamela, a dedicated monthly donor, who shared why she gives to New Freedom Project: "Once those inmates were released and went into the 90-day New Freedom Program it was clear that these individuals found that family that they needed." Monthly donors like Pamela are critical to our ability to meet the needs of those we serve.

PROGRAM UPDATES support from the first day to the last

CLOTHING & HYGIENE

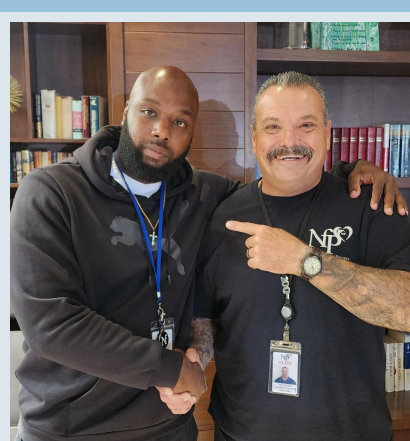

When a member first arrives at New Freedom, they are often coming straight from their release with no belongings. After a warm greeting from our staff, members receive a welcome bag with 3 sets of brand-new clothing and full-size hygiene products. We feel this is an important first step in what will be a dignified journey full of comfort and support.

NFP has provided over 1,200 welcome bags in 2024

HOUSING FOR GRADUATES

Housing is one of the 3 Pillars of Reentry and we feel that supportive housing is one of the reasons for the success of New Freedom's graduates. Members of New Freedom work with their incredible case managers to secure their next housing situation after graduating. New Freedom Project provides scholarships for members to cover their rent before they get their first paycheck after they leave the facility.

NFP has funded over 200 housing scholarships in 2024

SCHOLARSHIPS

While members are in the New Freedom Program, they have the opportunity to apply to scholarships that meet all kinds of needs. These scholarships include: Identification documents, glasses or contacts, GED materials, traffic school fees and more.

NFP has funded over 450 of these scholarships in 2024

SPONSORSHIPS

These "full ride" sponsorships cover the cost of clinical care, housing, food, case management, vocation training and more, when it is not covered by insurance. Individuals receiving these sponsorships might otherwise not get the second chance they deserve, and we are passionate about providing that opportunity to as many people as possible!

NFP has funded over 115 sponsorships in 2024
